 ⋯⋯⋯ Course Buoys

- The warm up loop may be used rather than turning directly into the waiting area.
- You may only turn when you've reached the weir
- When rowing towards the waiting area, look out for crews turning directly from the other side of the course

- Row past the Riverside Rowing Club landing and turn your boat when safe to do so.
- Wait in the red zone until called by the Boat Race Officials.
- Line up in your lane, and listen to the Boat Race Officials instructions.

- Look out for other traffic.
- Turn your boat.
- Row back in the transit lane, staying close to the bank.
