BACKGROUND

The RSA State Team Selection Policy outlines the broad selection criteria for all rowers and coxswains and can be viewed on the [RSA website](#). This document operates as an appendix to the Selection Policy and outlines the activities that rowers must complete to be eligible for selection consideration for President and Nell Slatter Cup.

Please note athletes who are also seeking Australian Rowing Team selection will need to satisfy the requirements set out in the corresponding Event Requirements set by [Rowing Australia](#).

All athletes must complete all activities stipulated in these Event Requirements unless there are Extenuating Circumstances (as defined in the Selection Policy) that prevent this.
