**Title:** Rowing Australia High-Performance Beach Sprint Program

**Document ID:** C230009

**To:** All Clubs / Schools / Members

**Date:** 22<sup>nd</sup> November 2023

---

Beach Sprint Rowing has made Olympic history with its inclusion alongside Classic Rowing at the Los Angeles 2028 Olympic Games

Jean-Christophe Rolland OLY - World Rowing President recently said:

*“The inclusion of Coastal Rowing at Los Angeles 2028 Olympic Games(LA28), through the Beach Sprints format, is expected to be transformational for our sport in terms of global exposure, and in making an exciting form of rowing accessible to new populations, we believe Beach Sprint Rowing has the potential to enhance the Olympic program by embracing beach culture and our shared values of universality, gender-equality and sustainability, while delivering genuine innovation in sport, broadcast and fan entertainment.”*

Nominations are now OPEN for Rowing Australia Beach Sprint National Selection.

Athletes will be selected for the Beach Sprint as a part of the Australian Rowing Team following the process outlined in the RA Selection Policies
