2024 MASTERS STATE TEAM COACHES AND SELECTORS

Please Note: Rowing South Australia ("RSA") will review these Event Requirements by no later than January of each year but may review and update these Event Requirements at any time, including by announcing and publishing further or varied requirements and standards prior to the relevant event or trial and the publication or notification shall take effect in accordance with the RSA Selection Policy.

BACKGROUND

The [RSA State Team Selection Policy](#) outlines the broad selection criteria for all rowers, coxswains and coaches and can be viewed on the [RSA website](#). This document operates as an appendix to the Selection Policy and outlines the activities that Coaches and selectors must complete to be eligible for selection for the Masters State Team.

All nominees must complete all activities stipulated in these Event Requirements unless there are Extenuating Circumstances (as defined in the Selection Policy) that prevent this.

As **3.1.b** states in the Selection Policy 'In accordance with the [RSA By Laws](#) the selection panel for the Masters State Team will be comprised of three Selectors as follows:

- i) the nominated Chair of Selectors;
- ii) one nominated selector; and
- iii) the lead coach/s (act as one person/one vote).

However, if insufficient nominations are received for Selectors, the RSA Board may modify this structure to have at least one independent person (as determined by the RSA Board) work with the selected coaches (as selector) to ensure that the Selection Policy is adhered to.
