Title: Group Insurance 2024 - 2025
Document ID: Circular C240015
To: All Clubs and Schools
Date: 3rd June 2024

Dear Clubs and Schools,

I advise that new group insurance coverage will continue for your club and members on 31 May 2024 following the current Policies expiry.

Rowing SA continues to partner with Adelaide Insurance Broker, 'Eastern Equity Insurance Broker' (EEIB) as the agent from 31 May 2024 – 31 May 2025. To date, EEIB has provided a superior level of customer service, the Policies provide excellent coverage and are value for money.

The insurance coverage which clubs and members had access to previously remains the same, however with an important update.

- All members, rowers, coxswains, coaches, administrators, volunteers, committee members, learn to row, etc – anyone who wishes to be covered by insurance while involved in rowing activities **MUST take up a Rowing SA Membership.**
- For coaches and volunteers, this membership is free, however you must ensure that your club/school applies a membership in Rowing Manager prior to you completing any activity in rowing or from 1 July 2024 when the membership season rolls over.

The Policies and key features you have access to (once clubs/schools affiliate with Rowing SA, or once a member becomes a Rowing SA Member in Rowing Manager) are listed below:

- Combined Liability : Sportscover Australia
 - Public Liability \$20M
 - Products Liability \$20M
 - Professional Indemnity \$10M
 - Management Liability \$10M
- Liability to cover licenced clubs at no additional charge
- Group Personal Accident Insurance : Blend Insurance

 - Lump sum benefit \$100,000

Policy wording for the two Policies 'Group Personal Accident Insurance' and 'Combined Liability Insurance' are attached to this email for your records.
