2025 EVENT REQUIREMENTS INTERSTATE STATE TEAM ATHLETES, COXSWAINS & COACHES

BACKGROUND

The RSA State Team Selection Policy outlines the broad selection criteria for all rowers and coxswains and can be viewed on the [RSA website](#). This document operates as an appendix to the Selection Policy and outlines the activities that rowers, coxswains and coaches must complete to be eligible for selection consideration in an Interstate State Team.

Please note athletes who are also seeking Australian Rowing Team selection will need to satisfy the requirements set out in the corresponding Event Requirements set by [Rowing Australia](#).

All athletes must complete all activities stipulated in these Event Requirements unless there are Extenuating Circumstances (as defined in the Selection Policy) that prevent this.

1. **ELIGIBILITY:** Athletes, Coxswains and Coaches seeking selection must fulfil all requirements in the [RSA Selection Policy](#).

Athletes to be considered for Para crews must be internationally classified either with a 'Confirmed' or 'Review' sport class status. A PR2 or PR1 athlete may nominate but will be required to complete testing under PR3 Criteria.

Athletes and Coxswains to be considered for Youth crews must be classified as an Under 21 rower until 31 December of the year in which the rower reaches the age of 20.
2. **NOMINATIONS:** Athletes, Coxswains and Coaches seeking selection are required to nominate via the [RSA Website](#). The Selectors may, at their discretion, accept late nominations up to the completion of the selection events.

Coach nominations close: 5:00pm on Sunday 17th November 2024.

Athlete & Coxswain nominations close: 5:00pm on Sunday 9th February 2025.
3. **GENERAL CRITERIA:** As far as is practical, for NTC based athletes, the results from National Senior A Selection Event Requirements listed as Mandatory activities in the RSA Selection Requirements will be used as the basis to select these athletes into the South Australian team.
 - (a) **Coaches** will be selected as a team under the guidance of the Head Coach. All coaches will work with and report to the Head Coach along with the other selectors where necessary.

The selectors will select a strong cohesive coaching team which will be selected to ensure quality coaching across all boats. Coaches may or may not be selected for a specific crew depending on the nominated coaching pool. Coaches may be allocated more than one crew.
4. **MANDATORY EVENTS:** Mandatory Selection Events apply to all nominees. Nominees who cannot participate in any of the mandatory selection activities must apply for an exemption for each activity that they are unable to participate in.
5. **ERGOMETER TESTING:** Is to be conducted in line with Australian Rowing Team Ergometer Testing protocols, available on the [RA website](#).
 - (a) All ergo testing must be completed at athletes' club/school and be supervised by a coach. Results must be submitted on the day of completion via the [RSA Website](#).
 - (b) State nominated coaches are not to attend these erg tests as they are completed at the athlete's personal club/school. Only if the selected coach is the coach of the nominated athlete in their regular program should they supervise them.
6. **WEST LAKES REGATTA:** All nominated athletes are required to participate in the Small Boat Combine event. Athletes are required to race in either a single scull or a pair. **It is up to the athlete to ensure their club/school enters them prior to close of entries as no late entries can be accepted into regattas.**
7. **SOUTH AUSTRALIAN ROWING STATE CHAMPIONSHIPS:** All nominees are encouraged to participate in the South Australian State Championships.
8. **SEAT RACING/SPEED ORDER:** The Selectors reserve the right at their sole discretion to choose the crew combinations and the matrix of seat racing. Selectors reserve the right to conduct a Speed order trial where seat racing is not required or after the crew has been selected. Athletes required for seat racing will be notified by email 5pm 8th March 2025 at the latest.
NB: Non-Invitation to seat racing does not represent deselection.
 - (a) State Team Coaches are expected to be available for seat racing to assist the Selectors in the organisation and delivery of the trials. Coaches are to remain objective and not operate outside of the selector's instructions.
 - (b) Coxswains must be available for seat racing across all days.
 - (c) Selectors reserve the right to include further seat racing or speed order events, if necessary, prior to crews being announced on 12th March 2025.
9. **AUSTRALIAN NATIONAL CHAMPIONSHIPS:** All successful athletes are required to compete in the Interstate Regatta and at least one other event at the National Championships unless otherwise negotiated with the selectors.
 - (a) State Team coaches are expected to attend the Australian National Championships and be available for pre row/s in the days leading up to the race.
10. **TRAINING:** All athletes are expected to be completing a full training load outside of state team event requirements. Coaches are expected to attend and organise all trainings.
 - (a) Selectors reserve the right to form training squads for the purpose of training only, based off results from recommended events.
 - (b) Squad or crew training will be regularly organised by the crew coach in consultation with the Head Coach and Selectors.
