Title: Australia Day Triathlon – 25-26 January 2026
Document ID: C26002
Audience: Clubs and Schools
Date: 20 January 2026

Dear Clubs and Schools,

Rowing SA wishes to notify clubs, schools, athletes, and coaches of temporary impacts to the West Lakes rowing course due to the Adelaide Triathlon Series – being held at West Lakes.

This major community sporting event (800 plus attendees) will be conducted within and around the West Lakes precinct and will affect access, movement and shared use of areas adjacent to the rowing course.

Impact on the Rowing Course

To ensure the safe delivery of the triathlon for participants and spectators, changed traffic conditions, shared pathways and restricted access areas will be in place around the lake and rowing course. These measures are required for event safety and traffic management.

Clubs and schools should be aware that the following impacts may occur during the event period:

The Adelaide Triathlon Series (West Lakes) will include the following type of road impacts:

Full Road Closure - Roads are closed in both directions.

Shared Pathway - The pathway is shared between the general public and participants.

Closed Southbound - The Southbound carriage lane/s are closed.

Partial Closure - Roads will be closed in one direction only. Alternate routes will be provided and signed by traffic control; please plan ahead to ensure there are minimal delays.

Local Resident Access Only - Local access is permitted and through traffic movement is restricted.

Closed Westbound - The Westbound carriage lane/s are closed.

Detailed road information and timing, including a map, is available at [HERE](#).

Please see the table below for full details of all roads impacted.
