

Circular

Title: 2026/2027 Insurance Arrangements

Document ID: C26006 Insurance Arrangements

Audience: All Clubs / Schools

Date: 12 June 2026

We have been advised by V-Insurance that there has been an internal IT issue which has delayed the update of the online Certificate of Currency generator. While this issue is being resolved, please be assured that the insurance program remains current and in effect from 1 June 2026.

The online portal is expected to be updated by Monday, 15 June 2026, at which time clubs and schools will be able to download a Certificate of Currency that specifically includes their organisation's name.
<https://vinsurancegroup.com/rowingaustralia/generate-your-certificate-of-currency/>

In the meantime, the attached certificate confirms coverage for all insured entities under the Rowing Australia insurance program and should assist with any immediate requirements.

Full details of the insurance program, including policy summaries, coverage information, claims procedures and certificates, can be accessed via the Rowing Australia Insurance website:
<https://vinsurancegroup.com/rowingaustralia/what-is-covered/>

If you require a Certificate of Currency that specifically names your club or school before the portal is updated, or if an interested party needs to be noted on the certificate, please contact V-Insurance directly at sports@vinsurancegroup.com
